

RR650 Series ATV/UTV Dump Trailers

2 Trailers in 1

The Range Road RR650 Series dump trailer easily converts from a dump box style trailer to a flat tilt deck trailer. Simply remove the two sides and tailgate and you have a flat deck trailer. The RR650 Series was designed as a heavy duty and highly versatile trailer for acreage owners to aid in maintaining their properties, intended to be towed behind your ATV, UTV or tractor, it will haul 1500Kg of dirt, rocks, snow and more. The RR650 makes the perfect addition for for your ATV, UTV or Tractor.

The whole unit is made with heavy duty steel, professionally welded and galvanized. The deck is plywood covered with galvanized sheeting.
